

Prior to being elected to Congress, I served for 4 years as a board member of Miami-Dade County Public Schools. I have seen firsthand the bold efforts to reform disciplinary tactics and reverse the trend that plagues so many school districts.

For example, Miami-Dade has created sites across the county for suspended children to attend rather than forcing them to waste their time out of school.

I applaud the board, led by Chair Perla Tabares Hantman, and Superintendent Alberto Carvalho for their leadership on this issue and their willingness to participate in this important discussion.

I look forward to working with them to promote proper and safe school discipline that benefits the students, their parents, and their teachers.

#### STEM EDUCATION

Mr. CURBELO of Florida. Mr. Speaker, I rise today to discuss the importance of science, technology, engineering, and mathematics education and also recognize the great work being done in the 26th District of Florida to encourage these classes.

It is no secret that jobs that require a STEM-related background are projected to outpace other fields as many companies struggle to hire qualified candidates. We need to encourage our students to pursue these fields early on in school and ensure that our educators have the necessary tools to help cultivate an interest in STEM classes for our students.

In an effort to reach the goal of graduating more STEM students, Miami-Dade County has launched an innovative new training and certification program for teachers in collaboration with Florida International University.

FIU has developed a program that promotes STEM teacher training for first-year college students, where they are paired with Miami-Dade County public school teachers to give them firsthand experience in the classroom. The goal is to encourage more STEM majors to go into teaching.

I applaud the work being done in Florida's 26th District and look forward to further promoting STEM education in south Florida's classroom.

Congratulations, again, to FIU and to Miami-Dade County public schools.

#### STARTUP DAY ACROSS AMERICA

Mr. CURBELO of Florida. Mr. Speaker, I rise to recognize Wednesday, August 19, as Startup Day all across America, and I encourage everyone to visit at least one small business in your community on this day.

Startups are quickly developing right before our eyes. Throughout our country, there are countless small businesses that range from retail to health care, and these companies are changing the workforce as we know it. Entrepreneurs are leading the way to a brighter future by using innovative solutions and reinventing the way we look at small businesses.

Our local businesses employ our friends and neighbors, helping them to pay their bills and provide a better life for themselves and their families. As a member of the Small Business Committee, I recommend that we never forget the vital role that our local businesses play in keeping our neighborhoods strong and prosperous.

Again, I encourage everyone to participate in Startup Day across America on Wednesday, August 19, and help these small businesses continue to grow.

#### 225TH BIRTHDAY OF THE U.S. COAST GUARD

Mr. CURBELO of Florida. Mr. Speaker, I rise to celebrate August 4 as the 225th birthday of the United States Coast Guard.

The Coast Guard is one of our Nation's five branches of the armed services and can trace its origins back to August 4, 1790, when the first U.S. Congress appropriated the funds to construct 10 vessels. These ships were designated with enforcing tariff and trade laws, while also preventing smuggling and protecting the collection of Federal revenue.

Mr. Speaker, I am particularly proud to represent Coast Guard Sector Key West, a base located in south Florida that covers 55,000 square miles. The coasties stationed at Sector Key West are tasked with the same responsibilities as their predecessors and also have the crucial job of combating drug smuggling from the Caribbean and South America. This is no easy task, but I am proud of the work the Coast Guard continues to do to stifle drugs from entering our communities.

Semper Paratus—Always Ready—this is the motto of our beloved Coast Guard, and our Nation owes a sincere debt of gratitude to the coasties and all those who protect our great country.

#### AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. EMMER of Minnesota) at 2 p.m.

#### PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: We give You thanks, O God, for giving us another day.

You speak as one who whispers to a beloved. You speak to the heart, but through the ages, people have not and do not listen. You give us Your Word as a gift, filled with promise; yet time and again, Your Word goes unheeded.

Encourage the Members of this House to listen carefully to Your Word and, rather than play with numbers or spin on language, face the truth straightforwardly, studying with honesty long and hard, and with humble attention remain completely open to Your impelling spirit.

And in the midst of complex and conflicting situations, may each Member, with confidence, be able to say to You: "Speak, Lord. Your servant is listening."

May all that is done within the people's House be for Your greater honor and glory.

Amen.

#### THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause one, rule I, the Journal stands approved.

#### PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Michigan (Mr. KILDEE) come forward and lead the House in the Pledge of Allegiance.

Mr. KILDEE led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

#### IN MEMORY OF STAFF SERGEANT DAVID WYATT

(Mr. WOMACK asked and was given permission to address the House for 1 minute.)

Mr. WOMACK. Mr. Speaker, I rise today to honor the memory of Staff Sergeant David Wyatt, who was taken much too soon from his family and friends on July 16. David, a marine and loving father, was born November 7, 1979, in Morganton, North Carolina.

David was a graduate of Russellville High School in Russellville, Arkansas, my alma mater. He was a veteran of both Iraq and Afghanistan. For his service, Staff Sergeant Wyatt earned numerous medals and commendations for exemplary service in the infantry. He was a dedicated marine.

While performing his duties on July 16 as the battery operations chief, 3rd Battalion, 14th Marine Regiment, 4th Marine Division, Staff Sergeant Wyatt was gunned down during the tragic Chattanooga shooting that killed him, along with three other marines and a Navy sailor.

It is devastating that this decorated marine was taken in the homeland that he served so valiantly overseas to protect. His death shook the Arkansas River Valley in yet another senseless act of violence that can never be explained, justified, or tolerated.

The Russellville and Adkins communities and the entire Third District of
